GANGESH GUPTA

AI/ML & Workflow Automation

Surat, Gujarat | gangeshofficial3@gmail.com | +91 82995 22455

LinkedIn | GitHub | Portfolio

PROFILE

B.Tech student at SVNIT focused on practical AI/ML projects and workflow automation. Hands-on experience building n8n automations for Telegram-controlled AI-agent interaction and personalized cold-email outreach, alongside Python applications, computer-vision concepts, and embedded systems. Grand Robo Prix 2026 runner-up as part of a line-follower robot team.

EDUCATION

Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat 2025 – 2029
B.Tech, Industrial Chemistry First-year CGPA: 7.71/10

Oxford Public School (CBSE)
Class XII: 83% (2024) Class X: 92.8% (2022)

WORKFLOW AUTOMATION & AI AGENTS

- **VPS + Telegram-Controlled Hermes Agent:** Connected a VPS-hosted Hermes Agent with Telegram to enable remote, command-based interaction with the agent.
- **Automated Cold-Email System:** Built an end-to-end n8n workflow that automates sending personalized cold-outreach emails, reducing repetitive manual work.

PROJECTS

Line-Follower Robot – Grand Robo Prix 2026 Runner-Up ESP32, Sensors

- Helped design and build a line-following robot using ESP32 and sensor-based navigation; contributed to circuit setup, testing, debugging, and movement optimization.
- Secured second place as a team member in the Grand Robo Prix (GRP) robotics competition.

Air Drawer Computer Vision, Hand Tracking

- Built an interactive webcam-based drawing application using hand-tracking concepts to enable gesture-controlled virtual drawing.

Real-Time Chat Application Python, Sockets, Tkinter

- Developed a client-server chat application with Python sockets for message communication and Tkinter for the graphical interface; separated server and client functionality and tested messaging behavior.

LEADERSHIP & CAMPUS EXPERIENCE

Sponsorship Executive, Mindbend – SVNIT Technical Fest Jan – Feb 2026

- Coordinated vendors and external partners for food stalls, handled communication and negotiations, and helped increase the number of food stalls by 30%.

Managerial Committee Member, Sparsh – SVNIT Annual Fest Mar – Apr 2026

- Supported planning and coordination for SVNIT Got Talent and Sparsh Dancing Night; managed outreach emails to invite guests and judges.

CERTIFICATIONS & SELECTED TRAINING

- **Artificial Intelligence Fundamentals** – IBM SkillsBuild
- **Introduction to AI** – Google / Coursera
- **Google Prompting Essentials** – Google
- **5-Day AI Agents: Intensive Vibe Coding Course** – Google & Kaggle (June 2026)

TECHNICAL SKILLS

Programming: Python, C **Automation:** n8n, workflow design and debugging
AI/ML: AI fundamentals, prompt engineering, computer-vision concepts, hand tracking, AI-agent workflows
Tools: Git, GitHub, PyCharm, VS Code, ESP32, Tkinter, MS Excel, PowerPoint, Canva, DaVinci Resolve
